In re Application of :

Application No. 10/610,337 : **ON PETITION**  
Filed: June 30, 2003 :  
Attorney Docket No. BP9703US-DV2 :

This is a decision on the petition under 37 C.F.R. § 1.137(b), filed February 27, 2007, to revive the above-identified application.

The petition is **GRANTED**.

The petition satisfies the conditions for revival pursuant to the provisions of 37 CFR 1.137(b) in that (1) the reply in the form of the requisite fees as listed in the Notice to File Missing Parts of Nonprovisional Application; (2) the petition fee; and (3) the required statement of unintentional delay have been received. Accordingly, the response has been accepted as having been unintentionally delayed.

The above-identified application has been abandoned for an extended period of time. The Patent and Trademark Office is relying on petitioner's duty of candor and good faith and accepting the statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional.<sup>1</sup>

This matter is being referred to the Office of Initial Patent Examination for further processing.

Telephone inquiries regarding this decision should be directed to the undersigned at (571) 272-3206.
